

Table of contents

Unit 1: introduction to physics.....	1
Unit 2: scientific investigation.....	4
Unit 3: laboratory safety measures.....	6
Unit 4: measurements.....	10
Unit 5: properties of matter.....	18
Unit 6: mechanics.....	29
Unit 7: electricity and magnetism.....	50
Unit 8: density.....	63
Unit 9: specific heat capacity.....	72
Unit 10: heat transfer.....	76
Unit 11: thermal expansion.....	80
Unit 12: power and machines.....	83
Unit 13:electrostatics.....	96
Unit 14: oscillation and waves.....	202
Unit 15: nuclear physics.....	112
